

Gala 1 Thursday 24th March 2011

Tonight's Gala sees the highest number of entries we have had in a long time..which is absolutely fabulous. Most events have heats and finals, with a mammoth total of 9 heats in the handicaps. To enable the night to run as smoothly as possible and to complete all the events tonight,, please can we ask swimmers listen carefully to all announcements and be available for their races when required. Thank you

This year sees the re-introduction of some longer events to our gala programme. Our swimming club is very fortunate in having a significant and growing number of senior swimmers, most of whom have come through the ranks. These events are to give them further challenges and so are restricted to 2nd and 3rd session swimmers. The events, one per gala, will be the first event of the evening, and due to their length are Heat Declared Winners. Swimmers will only swim once and their times will then be ranked to decide the winner, Mark having already seeded swimmers. Girls and boys will swim together, but the two events are incorporated..
